

**CONFIDENTIAL**

25 August 1982

MEMORANDUM FOR:

[redacted]  
Support Officer, FBIS

25X1

FROM:

[redacted]  
Chief, Special Security Center

25X1

SUBJECT:

Facility Accreditation  
Room 212, Key Building [redacted]

25X1

REFERENCE:

Memo to SSC fr C/DSB dtd 23 Aug 82

1. Room 212 Key Building, serving as the Registry for Foreign Broadcast Information Service, is provisionally accredited as a Sensitive Compartmented Information Facility authorized open storage of SI, TK and BYE material as required. The referenced memo, attached, specifies the required minor modifications to this room. It is requested that the viewports on the doors be covered temporarily by taping non transparent material over the inside of the door. [redacted]

25X1

2. Please advise this office and Domestic Security Branch when the modifications have been completed in order that a final inspection can be conducted and final accreditation of the facility issued. This provisional accreditation is issued to formalize the current practice of SCI storage on the premises. [redacted]
